HELLO, MEET YOUR HOST!

# HOW TO PLAY

- 01.** The quiz is designed in a way to allow you to deduce answers (if you are not living under a rock)
- 02.** Each question carries 10 points. If no one gets it on the first try, a hint will be given, and points will reduce to 5
- 03.** The scoring, as always, will have a fun meter. Each funny answer gets you a 'fun point'.
- 04.** The fun meter is independent of the regular scoring
- 05.** Don't be disheartened if you don't know an answer. The point is to have fun
- 06.** The word of the quizmaster is final and binding. Not everything is a democracy...

The background is a solid yellow color. It is decorated with several white lines of varying thickness and orientation. Some lines are straight, while others are curved. They intersect and overlap, creating a dynamic, abstract pattern. The lines appear to be hand-drawn or digitally sketched.

**LET'S PLAY**

\_\_\_\_\_ IS THE NEGATIVE PRECONCEPTION OF GERMAN PEOPLE TOWARDS TRENDY AND EXOTIC SOUNDING NAMES. THE MOST COMMON EXAMPLE OF THIS IS THE NAME “X”. SPECIFICALLY, THE MOVIE HOME ALONE IS CREDITED TO MAKING “X” AS THE MOST POPULAR CHOSEN BOYS NAME IN 1991. BUT IN LATER YEARS, THIS NAME IS THOUGHT TO INDICATE TO GERMAN TEACHERS THAT THE STUDENT IS PRONE TO ATTENTION SEEKING BEHAVIOUR AND GENERALLY LOW SCHOLASTIC PERFORMANCE.
